

STATEMENT OF PURPOSE

RS18577

This proposed legislation will amend Idaho Code Sections 18-8002 and 18-8003 to provide authority for judges to order restitution, upon conviction for a driving while under the influence offense, reimbursing law enforcement agencies for the cost to withdraw blood samples, perform laboratory analysis, preserve evidence and present blood analysis testimony during judicial proceedings. The legislation will direct that the moneys reimbursed to the Idaho state police be deposited into the current state operating fund for drug enforcement reimbursement pursuant to Idaho Code Section 57-816. The Drug Enforcement Donation Fund, I.C. 57-816, will be amended to include enforcement of driving under the influence statutory provisions.

FISCAL NOTE

There will be no negative fiscal impact.
